

Golf Outing Summary/Invite

Please join us on Monday, August 4th for lunch, golf, Surf & Turf dinner, Cocktails and an auction at the Commonwealth National Golf Club.

The proceeds will benefit the

Coach Ozzie Ostrowski Memorial Scholarship Fund

When the legendary Horsham ("Hatter") Basketball Coach, Coach "O" (Walter "Ozzie" Ostrowski) passed away last July after a courageous battle with brain cancer, he left behind a request that a scholarship be set up in his name to help the student athletes of Hatboro-Horsham. He also left behind a legacy of compassion, dedication, respect and humanitarianism that will live on in all the students and athletes that his life touched. Every year he spent hours and hours on the phones and in attending in-home visitations to ensure that his players would receive the possibility of a limitless future that he saw for all of them.

While he can no longer help them personally, the Scholarship Fund can allow his good works to continue. He was not just a sports coach, but also a life coach, and saw that the lessons that his students learned on the court, or the field, would be needed in life. He armed them with his determination, taught them to respect themselves and others, and the value of a good education.

Our goal is to be able to provide at least four (4) scholarships next year for student/athletes at Horsham High School who have shown excellence in the classroom and in the community who need financial assistance, as well as being able to help others in need. Please help us keep Coach O's name and dreams alive by contributing to this great cause.

Respond by July 21st. Groups will be first come, first served. Don't wait as this event will sell out!
